The ACOEP-RSO Residency Fair offers a **more intimate setting** where programs can connect directly with students preparing to apply for residency. ACOEP's smaller, focused event allows **more personalized conversations** and **meaningful interactions** with future Emergency Medicine physicians.

- **Recruit Top Talent:** Meet driven and passionate students eager to join Emergency Medicine.
- **Promote Your Program:** Share what makes your residency unique in a relaxed, one-on-one environment.
- **Build Connections:** Network with students and fellow programs to strengthen the future of Emergency Medicine.

For questions, contact:

Janelle DePriest, OMS III

Graduate Medical Education Chair, ACOEP-RSO
