
SPRING SEMINAR

Loews Portofino Bay Hotel at Universal Orlando Resort

Orlando, FL
Sunday, April 19 –
Thursday, April 23, 2026

REGISTER NOW

The American College of Osteopathic Emergency Physicians invites you to a week of dynamic learning, networking, and professional growth in sunny Orlando.

This year's Spring Seminar will feature:

- **Live CME sessions both in-person or via livestream**
- **Access additional 10 CME credits** through pre-recorded content
- **Hands-on workshops** Sunday-Wednesday afternoons
- **Resident and student programming** hosted by ACOEP-RSO including lectures, skills labs, and a residency fair
- **FOEM Research Competitions:**
 - **Case Study Poster Competition**
 - **New Innovations in Emergency Medicine Competition**

Educational offerings will include a wide range of emergency medicine topics such as clinical procedures, resuscitation, and specialty-focused care in pediatrics, obstetrics, and ophthalmology. Attendees can also participate in hands-on workshops, live educational podcasts, and FOEM research competitions.

Whether you're looking to sharpen your clinical skills, earn continuing education, or connect with peers, the 2026 Spring Seminar offers something for every stage of your career.

HANDS-ON WORKSHOPS

Workshops Schedules

Thoracic Procedures Workshop

Sunday, April 19 2:30-4:30pm

2 CME Credits

\$200 member/\$250 non-member/\$75 resident

Reinforce key thoracic and cardiac emergency concepts with hands-on practice. Participants will rotate through stations covering GI balloon tamponade, chest tube and pigtail placement, pericardiocentesis, thoracotomy, transvenous pacer placement, and cardiac ultrasound.

Eye Workshop

Monday, April 20 2:00-4:00pm

2 CME Credits

\$200 member/\$250 non-member/\$75 resident

Gain practical ophthalmologic skills with stations on slit lamp exams, ocular ultrasound, tonometry, and lateral canthotomy. Perfect for clinicians looking to strengthen ocular emergency management techniques.

OB Emergencies Workshop

Tuesday, April 21 2:00-4:00pm

2 CME Credits

\$200 member/\$250 non-member/\$75 resident

Practice OB ultrasound, manage postpartum hemorrhage, and simulate high-stakes deliveries, including shoulder dystocia and perimortem cesarean sections. Ideal for improving confidence in obstetric crisis response.

Pediatric Procedures Workshop

Wednesday, April 22 2:00-4:00pm

2 CME Credits

\$200 member/\$250 non-member/\$75 resident

Build comfort caring for critically ill pediatric patients. Review pediatric airway management, umbilical lines, IO placement, and essential PALS procedures under expert instruction.

Resident Discount

We have a limited number of spaces available to resident attendees for our afternoon, two-hour, hands-on workshops at a discounted rate of \$75 per course by using code **WORKSHOP75** at checkout.

Workshops require separate registration.

Space is limited.

Aesthetics Workshop – To Be Announced

This introductory workshop blends essential knowledge with practical skill-building for those interested in offering aesthetic services. Participants will explore core facial anatomy, injection safety, product fundamentals, and best practices for patient consultation and complication management. The session also includes key business insights for launching an aesthetics practice. **More information coming soon!**

COLA & CORE Review

Wednesday, April 22 5:00-9:00pm

4 CME Credits

\$300 member/\$350 non-member

Join us in Orlando for this high-impact review session that will help you feel confident and ready for your CORE or COLA exams. Through focused discussion of current emergency medicine literature, our expert faculty will break down key concepts, highlight exam-relevant takeaways, and share practical insights you can immediately apply in practice. You'll leave better prepared for your exam and refreshed on the latest evidence shaping patient care in the ED.

FOEM & RSO PROGRAMMING

FOEM Competitions

Discover opportunities to showcase your work and advance the field of emergency medicine through FOEM's annual Spring Competitions. Whether sharing clinical insights in the Case Study Poster Competition or presenting new ideas in the New Innovations in Emergency Medicine Competition, these events offer a platform to gain recognition and make an impact. Submission guidelines, deadlines, and details are available at foem.org/research

- **Case Study Poster Competition**
- **New Innovations in Emergency Medicine Competition**

Resident and Student Programming

Register Now!

April 20-21, 2026 | Orlando, FL

Spend two high-energy days building your emergency medicine skills and connections. Morning sessions feature engaging lectures on Monday and Tuesday. Monday afternoon offers hands-on skills labs, while Tuesday afternoon includes our Residency Fair and a fast-paced "Speed Dating" networking event. Breakfast and morning breaks included daily.

Help Us Spread the Word about the Residency Fair

Share this with your program so they can participate. Download the flyer below to pass along.

EXHIBIT AND SPONSORSHIP OPPORTUNITIES

Partner with ACOEP at the 2026 Spring Seminar

Exhibitors and sponsors of ACOEP events have a unique opportunity to connect directly with influential medical leaders and decision-makers in emergency medicine.

ACOEP is dedicated to advancing the practice of osteopathic emergency medicine and making a meaningful impact on the communities our members serve. We partner with organizations who share that mission and want to grow alongside a highly engaged network of physicians, residents, and medical students.

Why Partner with ACOEP

Increase brand awareness: Reach a focused audience of emergency medicine professionals seeking products and services to enhance their practice.

- Access to our members: Connect with key decision-makers in the field, including practicing physicians, residents, and students.
- Customized sponsorships: Our team will work with you to create a package that fits your organization's goals and visibility needs.

- Premier event exposure: The Spring Seminar is ACOEP's flagship educational event, offering multiple sponsorship levels and exhibit options.
- Recognition across platforms: Sponsors receive acknowledgment on ACOEP's website, in publications, and at live events.

We offer a wide range of sponsorship opportunities, from exhibit booths and event partnerships to advertising placements in our member communications. Every sponsorship directly supports ACOEP's educational programming, research initiatives, and member resources.
